

## LESSON 10

### SHARING YOUR FAITH

Evangelism, witnessing, and “sharing your faith” are all terms that Christians use to describe the work of proclaiming, or telling, the good news (gospel) of Jesus Christ to the world. It is what the early Christians were empowered to do (Acts 1:8) and it was part of their mission to make disciples (Matthew 28:18-20). We have been given a wonderful gift in the grace of God. In this last lesson of the discipleship manual we will learn why we should share the faith and helpful hints on how to do it.

6. As you seek to share your faith, it may be helpful to have a simple format in mind ready to use. Every

situation will be different. Each person will have specific questions and comments. Some people might not even want to listen to you! Don't get discouraged. Remember, it is the Holy Spirit at work through the Word of God as you share the Faith.

- Have your testimony ready. A testimony should include how God saved you and how He is working in your life now. Read Paul's testimony in the book of Acts for direction.
- Discern what status the person is currently in. For example, if the person you are sharing your faith with does not feel conviction of sin, he is not ready to hear the Gospel. He needs the Law. If the person is feeling terrible conviction of sin, he or she needs to hear the Gospel.
- Questions are great tools to use. Jesus used questions when speaking with people. Think with the person and ask good, thought-provoking questions to stimulate discussion. If you don't know an answer to a question, tell the person you don't know but will search for an answer.
- As you share your faith, pray for the salvation of the person.
- These are just a few tips to help you share your faith. There are many wonderful resources available that can help you evangelize.
